

[Ocwen Mortgage Servicing](#)

Ocwen Mortgage Servicing Inc. (OMS) is a wholly owned subsidiary of Ocwen Financial Corporation. OMS manages mortgage assets and operations for Ocwen Financial, providing the flexibility to cost-effectively expand its activities.

OMS optimizes the use of innovative technology coupled with high-speed Internet access to fulfill the daily functions of buying, selling, originating, servicing and financing residential consumer and commercial loans. OMS operates an efficient call center and expects to expand over the next few years.

Business Location: 402 Strand Street Frederiksted, St. Croix, USVI

Date Established: 2012

Number of Employees: Approximately 70 full-time

USVI Solution/Benefit:

- Access to a pool of hardworking, dedicated and loyal workforce, proud of contributing to the economic growth of their island
- Connection to world markets with high-speed fiber-optic broadband for voice and data
- A robust tax incentive program
- U.S. system - laws and currency

“St. Croix is a great place to do business and attract highly talented professionals that operate within the U.S. system of laws and currency. Partnering with the USVI Economic Development Authority, Ocwen has helped drive economic growth and employment, significantly increasing our local employee base since 2012.” – Otto Kumbar, President, Ocwen Mortgage Services
