Compliance:

1. **183 Media, LLC – Waiver of Full-time Employment Requirement**  
   Removed from the agenda at the request of the 183 Media, LLC’s Counsel.

2. **PBG Corporation d/b/a Phantasea Tropical Botanical Garden – Termination of Certificate of Tax Incentives**  
   PBG Corporation d/b/a Phantasea Tropical Botanical Garden (“Phantasea”) was granted tax incentives under the Small Business Program to own and operate a Category III – Small Business, providing recreational activities as a botanical garden open to visitors from around the world as well as local residents of St. Thomas.

   On June 1, 2021, Phantasea filed a petition requesting a termination of its benefit period effective January 1, 2017. According to the petition, PBG opened in February 2015. “Participation with the cruise ship industry tours was anticipated, but was far more difficult to work with than planned, and never manifested.” In September 2017, hurricanes Irma and Maria struck St. Thomas which caused no damage to the structures, but extensive damage to the gardens, so Phantasea was forced to close the business for a period of time as the gardens were cleaned. The hurricanes also prevented visitors from coming to St. Thomas for the next several months as the island cleaned up and rebuilt, then in early 2020 the COVID-19 pandemic overtook the entire world, causing a lack of visitors to St. Thomas. “As the island went into lockdown we were closed for one month (two times), then slowly reopened on Saturdays and Sundays only, and now added Thursdays and Friday back to our schedule as the island visitors have slowly began to return. Due to all the unanticipated events during the past few years, we have never been able to fully staff the garden as anticipated, nor have we generated anywhere near the revenues that we had originally anticipated.”

   The Governing Board voted (5 – 0) to:
   - Acknowledge that VIEDC grant PBG Corporation d/b/a Phantasea Tropical Botanical Garden a voluntary termination of its Certificate of Tax Incentive effective January 1, 2017, conditional on the following:
     - PBG Corporation d/b/a Phantasea Tropical Botanical Garden shall repay any applicable taxes taken in incentives under its Certificate of Tax Incentives to the respective agencies including, but not limited to, the Virgin Islands Bureau of Internal Revenues, provide copies of income tax returns and gross receipts returns (Form 720B) for 2017 to 2021, and tax clearance letters and/or proof of payments within 10 days of receipt of the VIEDC Governing Board decision.

   Removed from the agenda pending administrative action on Beneficiary’s request.
