The Economic Development Commission tax incentive program for companies located in the USVI is a competitive tax incentive program that is sanctioned by the U.S. Government.

Section 934 of the IRC grants the Government of the Virgin Islands of the United States the authority to reduce the income tax liability on the USVI source or income effectively connected with the conduct of a trade or business in the USVI.
Goal of economic development is to have thriving communities with good quality of life for its residents

- ATTRACT INVESTMENTS
- CREATE REVENUES IN THE COMMUNITY
- CREATE JOBS WITH MEANINGFUL SALARIES
PURPOSE

- To promote the growth, development, and diversification of the economy of the US Virgin Islands
- To discover and develop human and economic resources
- To establish opportunity for gainful employment of USVI Residents
- To promote the formation of capital
- To contribute towards the development of the educational system and
- To preserve the environment, beauty, and natural resources of the USVI
ELIGIBILITY

- In the case of a natural person, be a bona fide resident of the Virgin Islands with his principal place of business in the Virgin Islands and a citizen or legal resident of the United States;
