Extra Guidance

• Once you decrease your loan amount, it’s very hard to go back into the system and ask for an increase later, and the modification process takes a long time.

• No pre-payment penalty. The loan has an annual interest rate, and even though payments are deferred for the first 12 months, the interest does start to accrue from day one.

  Borrower may make payments if they choose to do so.
  Set up online payments through Pay.gov OR mail payments to:
  U.S. Small Business Administration
  721 19th Street
  Denver, CO 80202

  Be sure to include EIDL loan number on mailed-in checks.

• Annual financial tax audits – keep receipts for a three-year period in case you’re ever audited.

# Top 6 reasons for EIDL Declines

<table>
<thead>
<tr>
<th>Reason</th>
<th>What you can do</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Public records did not find the business</td>
<td>1. Submit copies of current business license, articles of incorporation</td>
</tr>
<tr>
<td>2. CBReport – SBA looks at credit history and assesses ability to repay</td>
<td>2. File frozen by applicant (SBA cannot pull it off FICO, Experian or TransUnion)</td>
</tr>
<tr>
<td>3. Insufficient credit: Did not meet FICO score: Minimum threshold of 570</td>
<td>3. The principal on the business will be investigated (personal score used). Whenever you submit reconsideration request, you should be comfortably above the FICO minimum threshold of 570. That’s why you get up to 6 months</td>
</tr>
<tr>
<td>4. Applicant is not a U.S. Citizen. E2 visas not eligible for EIDL program.</td>
<td>4. Need PRC (green card front &amp; back), make sure it’s current</td>
</tr>
<tr>
<td>5. Bank account status is “Cannot Verify”</td>
<td>5. Get letter from bank stating that I (NAME) is the owner of the bank account ending in xxxx for Business name, and bank account is current</td>
</tr>
<tr>
<td>6. Account Ownership status is “Cannot Authenticate”</td>
<td>6. Every owner on the business has to sign</td>

Duplications and Reconsideration

• One Covid-19 EIDL loan per Tax ID

• SBA will always default to the original application. Use same info on the original application – reasons that will overcome original denial

• Duplicates do not get declined... rather a message is sent to the applicant saying that only their original application will be considered

• In most cases, the second application (or third, or fourth) is identified as being for the same business as the first. If this is not the case, and the client can show the income as being for a different business/entity (with a different tax ID) from the first, then an LO can reactivate the duplicate application for it to be processed
